## SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

This certification is being made for this Supplemental Information Disclosure Statement. Applicants submit a copy of each of the non-U.S. patent references listed on the attached PTO-1449 (Modified) form for consideration by the Examiner.

I, the person signing below certify that:

(a) each item of information contained in the supplemental information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the supplemental information disclosure statement (37 C.F.R. § 1.97(e)(1)); or

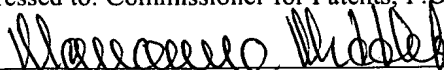

(b) no item of information contained in the supplemental information disclosure statement, to the knowledge of the person signing the certification after making reasonable inquiry, was known to any individual designated in § 1.56(c) more than three months prior to the filing of the statement. 37 C.F.R. § 1.97(e)(2).

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art". If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the
